a) Object of the Issue:

The members are hereby informed that the object of the issue of warrants by way of the proposed preferential offer is to convert the outstanding amount of unsecured loans of the Proposed Allottee due to the Company into Equity Shares of the Company as it is considered more feasible rather than borrowing from banks and other sources for repayment of the unsecured loans, which are attributed to hefty interest payment. The Proposed allottee of the Company has requested the Board of the Company to convert his outstanding unsecured loan due to the Company into Equity Shares/ Convertible Warrants. Thus, to improve the financial and operational performance of the Company through better liquidity position, to attain a sustainable debt- equity ratio through enhanced net worth of the Company and also to meet general corporate purposes, the Board of Directors of the Company has decided to convert unsecured loans into convertible warrants entitling the holders to exchange into Equity Shares which is in best interest of the Company and it will also strengthen the financial position of the Company which may increase net worth of the Company. The company is also receiving balance in cash from the allottees against the issue of warrants in one or more tranches.
